

Muzzle Training Your Dog will LOVE! Course Objectives

As a result of participating in this online course, students will have increased knowledge about muzzles, and will know how to:

- Differentiate between a Groomer's Muzzle and a Basket Muzzle
- Identify the uses and safety guidelines for each type of muzzle
- Recognize whether or not a muzzle is properly and securely fit
- Have a dog who happily, comfortably and eagerly wears her muzzle in a variety of environments for varying lengths of time.

Participants of this course will have dogs who need to wear a muzzle for a variety of reasons, and having a dog who happily and comfortably wears her muzzle can increase the safety and security of the dog and her owner, as well as other dogs and people.
